

A modern office interior featuring a grey patterned carpet tile, a white desk, and a brick wall. The carpet tile has a complex, woven geometric pattern in shades of grey. The white desk is sleek and minimalist, with a grey office chair tucked under it. A brick wall is visible on the left and right sides of the frame. In the background, there's a white wall with a small shelf and a doorway leading to another room. A purple banner is in the top right corner.
