

# 15-YEAR WARRANTY

## NYLON WARRANTY

Standard Carpets gives a warranty of 15 years to all its Nylon modular & Broadloom carpets which are commercially installed indoors. All Standard Carpets products are warranted against:

### WEAR

Carpet Tiles will not wear more than 10% of their surface pile weight from abrasive wear. "Abrasive wear" means fiber loss from the carpet tiles through normal abrasion, not crushing or flattening of the carpet pile in any area, nor staining, soiling, fading, or change in carpet appearance, nor fiber loss due to abnormal usage of the carpet tiles.

### LIFETIME STAIN WARRANTY

The surface pile of the carpet will resist stains from any food and beverage substances from the date of the original installation with proper installation and care. But this warranty excludes stains from substances such as bleaches, caustic chemicals, insecticides, paints, string dyes, acids, oil-based substances and vomit.

### STAIRS WARRANTY

On stairs this warranty applies for 5 years for Broadloom and for Modular carpet installed with a nosing when the carpet warranty applies for 7 years.

### LOSS OF DIMENSIONAL STABILITY

Standard Carpets guarantee that the dimensions of the backing of all SDN PA tiles will remain stable within the limit fixed by ISO 2551 (EN 986) and will not vary more than +/-0,20%. This guarantees that there will not be any elongation of the backing under the static loading of conventional office furniture. The initial values of the dimensions will be kept.

### STATIC

Standard Carpets guarantee that all Standard Carpets (SDN PA) tiles will give protection from static discharges in excess of 2500 volts under the DIN 54345/2 standard, at 30% R.H. and 20°C, within the 10 years following the date of purchase, if correctly installed and regularly maintained as per our published recommendations. This guarantee applies only to electronic offices and not to main frame computer (DIN 54345/1). It does not cover damages caused by equipment modifications.
